

JUST THE FACTS:

Impact of homosexuality and same-sex marriage

FACTS: On Public health:

- Reduces life expectancy by about 35 years.
- FDA refuses blood donation from only one lifestyle: homosexuality.
- Homosexuals are 20x more likely to be abused by partner than heterosexual.
- CDC (Center for Disease Control) reports AIDS is 50x higher in homosexual men. (August 24, 2009)
- Matt Foreman, Executive Director of the NGL Task Force: "HIV is a gay disease."
- CDC reports cancer rate is 90x higher in homosexual men – while smokers is only 10-30x. (Feb 2007)
- Many other high risk results – syphilis, gonorrhea, Chlamydia, pubic lice, hepatitis A, hepatitis B, hepatitis C, anal papilloma, depression, substance abuse, suicide.

FACTS: On Education:

- Months after the ruling in MA, school teachers were instructing middle school students "lesbians can have vaginal intercourse using sex toys."
- A parent was jailed in 2005 when he insisted on being notified when homosexuality was discussed.
- Federal judges ruled schools have the "duty to normalize homosexual relationships to children, and that schools have no obligation to notify parents..."
- In 2006 a mother complained when a "transvestite" was brought into class. She was told her complaints were "inappropriate behavior."

FACTS: On Business:

- All insurance in MA must now recognize same-sex "married" couples.
- All businesses must recognize same-sex "married" couples in both customers and employees.
- Businesses are often "tested" for tolerance by homosexual activists by publically fondling each other.

FACTS: On Government:

- The MA Dept. of Public Health funded and produced a porn book, distributed to high school students in 2005. It gives "tips" to boys on how to perform oral sex on other males, masturbate others, how to have someone urinate on you for pleasure. Included a directory of bars in Boston where men meet for anonymous sex.
- In 2004 Governor Mitt Romney ordered Justices of the Peace to perform homosexual marriages when requested or be fired.
- Enormous money is now given directly to homosexual activist groups to target children.

FACTS: On Public decency:

- Annual gay pride parades have become more prominent. Includes nudity, sado-masochism displays, and the Governor!

FACTS: On Religious persecution:

- See "List of Recent Instances..." sheet, included in packet.

FACTS: On Hope:

- Yes, they CAN change! (Sept. 1, 2009 NARTH report)
